Instructions in activating your DUO account on a landline:

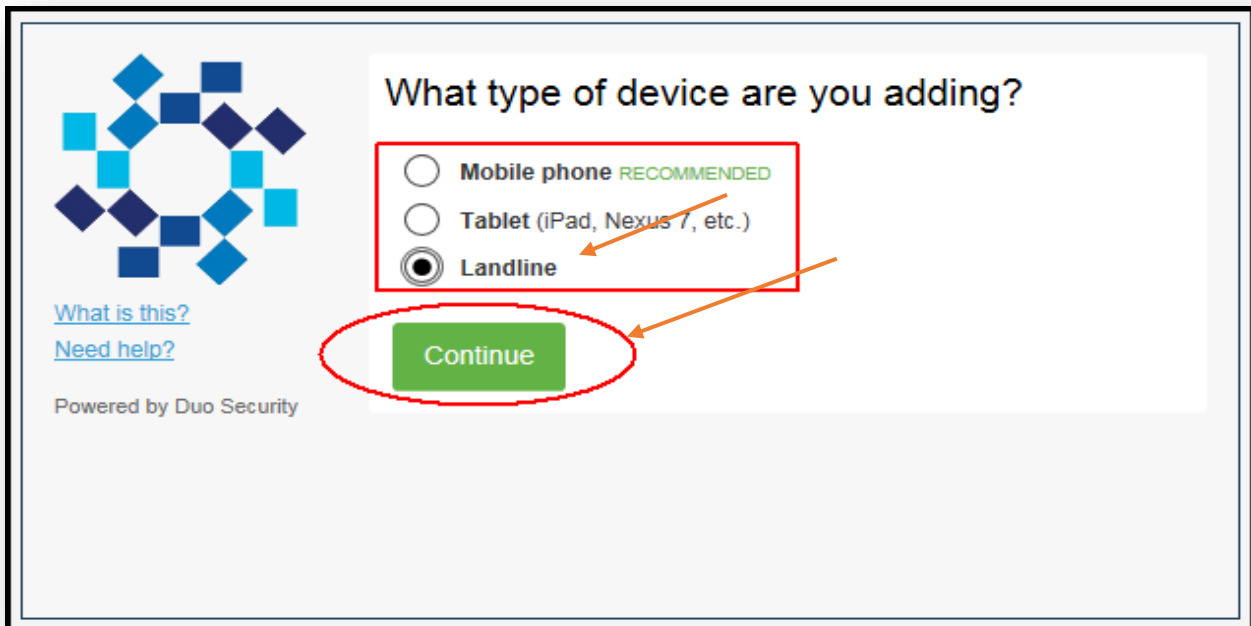

1. You have received an email message from DUO with an activation link (your letter may look a little different from the screen shot below). Open the email and click on the link.

2. Click the "Start setup" icon.

3. Select landline as the type of device to register in your user account with DUO. Press Continue after making your selection.

4. Enter your phone number in the box with the green outline.
