

Temporary ID cards from the website

Download or print a temporary version of your ID card

- 1 Log in to your account at **optumrx.com**
- 2 Benefits and claims tab
- 3 Click ID card
- 4 Print card

The screenshot shows the OptumRx website interface. At the top, there is a navigation bar with the OptumRx logo on the left and links for 'lac (sign out)', 'Messages' (with a red notification icon), and 'Cart' (with a red notification icon). Below this is a secondary navigation bar with 'Home', 'Order status', 'Member tools', 'Information center', 'Benefits and claims' (which is expanded to show 'Benefits information' and 'ID card'), and 'My account'. A red arrow points to the 'ID card' option in the expanded menu. The main content area is titled 'My Medicine Cabinet' and shows a user profile for 'lac' with the text 'You manage 2 household members. Choose who you want to view'. Below this is an 'At a glance' section with three cards: 'Savings Advisor' (save up to \$5622.91), 'Hassle-Free Fill' (automatic refills), and 'Medication reminder' (text message reminders). There are also buttons for 'Member tools', 'Drug search', 'Home delivery', and 'Pharmacy locator'. The bottom section is titled 'OptumRx Home Delivery: 3 medications' and lists three items: METFORMIN TAB 850MG, ATORVASTATIN TAB 10MG, and LEVOTHYROXINE TAB 0.088MG, each with a 'View details' link and pricing information.
